# BLACKBERRY DEVICES

## [DOCUMENTATION]

This is a setup guide based on general practice, for special customization; please contact us for further information.

To set up your personal email account from your BlackBerry smartphone:

Add email accounts, including Yahoo!® Mail, Gmail®, AOL, and Windows Live™ Hotmail®, directly from your smartphone in just a few easy steps.

To set up your personal email account on a BlackBerry smartphone with BlackBerry® 7 OS or BlackBerry® 6 OS:

- From the Home screen click the **Setup** icon
- Select **Email Accounts**
- Select **Internet Mail Account**, and follow the screens to set up your email address.

To set up your personal email account on a BlackBerry smartphone with BlackBerry® Device Software v5:

- From the Home screen click the **Setup** icon.
- Select **Setup Wizard**.
- On the email setup screen, select **I want to create or add an email address**.
- Follow the screens to set up your email address.
